

MRS MADHULIKA RAWAT
(07 Feb 1963 to 08 Dec 2021)

FOUNDING PRESIDENT DWWA

It is with profound sadness, that we share the sad news of the untimely and tragic loss of Mrs. Madhulika Rawat, President DWWA.

As the founding President of DWWA, she was instrumental in the setting up of DWWA as an NGO. Mrs. Madhulika Rawat remained a guiding force for the integration of all the Wives' Welfare Associations, such that the Armed Forces community would gain from the combined utilisation of individual assets. She also meticulously oversaw the formulation of SOPs to formalise the procedures of DWWA.

Always smiling, caring and enthusiastic, Mrs. Madhulika Rawat has touched the lives of many, bringing about happiness and cheer. She may not be amongst us physically, but she will continue to be in our hearts; shining down on us and DWWA from the heavens above.

***Goodbye is not forever,
Goodbye is not the end.
They simply mean we will miss you,
Until we meet again!***
